Grounds Maintenance

Tamworth Audi, Jardine Motors

Perennial Landscapes has successfully held the grounds maintenance contract of Tamworth Audi for more than three years. Since being approached by Tamworth Audi to start maintaining the grounds of it's site, Perennial Landscapes have been recommended to other dealership managers. We work closely with the sites manager to make sure the site is always looking its best especially during the peak seasons around the change of registration. If you are interested in grounds maintenance services provided by Perennial Landscapes, please don't hesitate to contact us on
